COMPANY BACKGROUND

Lembah Sembilan Sdn Bhd (L9) was founded with a vision to reshape the art of trading and the high-end trade & defense technology industry. The company was established by a group of professionals with a shared determination to make a significant impact in the industry.

With a strong emphasis on industry development and expansion, L9 is well-equipped with the necessary resources and expertise to deliver high-quality products and services. As the company grows, it aims to set new standards for the industry and uphold a promise of perfection.

VISION AND MISSION

To be a competent and competitive commercial trade marketing and defense industry supplier. We offer innovative solutions which contributes to the total improvement of the industry with professionalism and precision.

“Address your needs, WE DELIVER”

COMPANY OBJECTIVES

Understand and meet the needs of our customers by providing innovative, practical and top quality services.

Develop strong and long-term relationship with our clients with innovative, professional and personalized service.

Protect customer's investment by offering excellent services and the best available solutions.

Strive for customer satisfaction through competent services, differentiated products and competitive pricing.

Maximize local and international expertise in developing skilled human resources and knowledge workers.

AREA OF SPECIALIZATION

L9 specializes in the Defense Industry Environment (DIE) totality concept, offering the following services:

- ④ General Trading & Marketing.
- ④ Supply of high-quality products for military, police and other law enforcement agencies. Utmost quality in products supplied.
- ④ Coordination of technology transfer between the government and our principals.

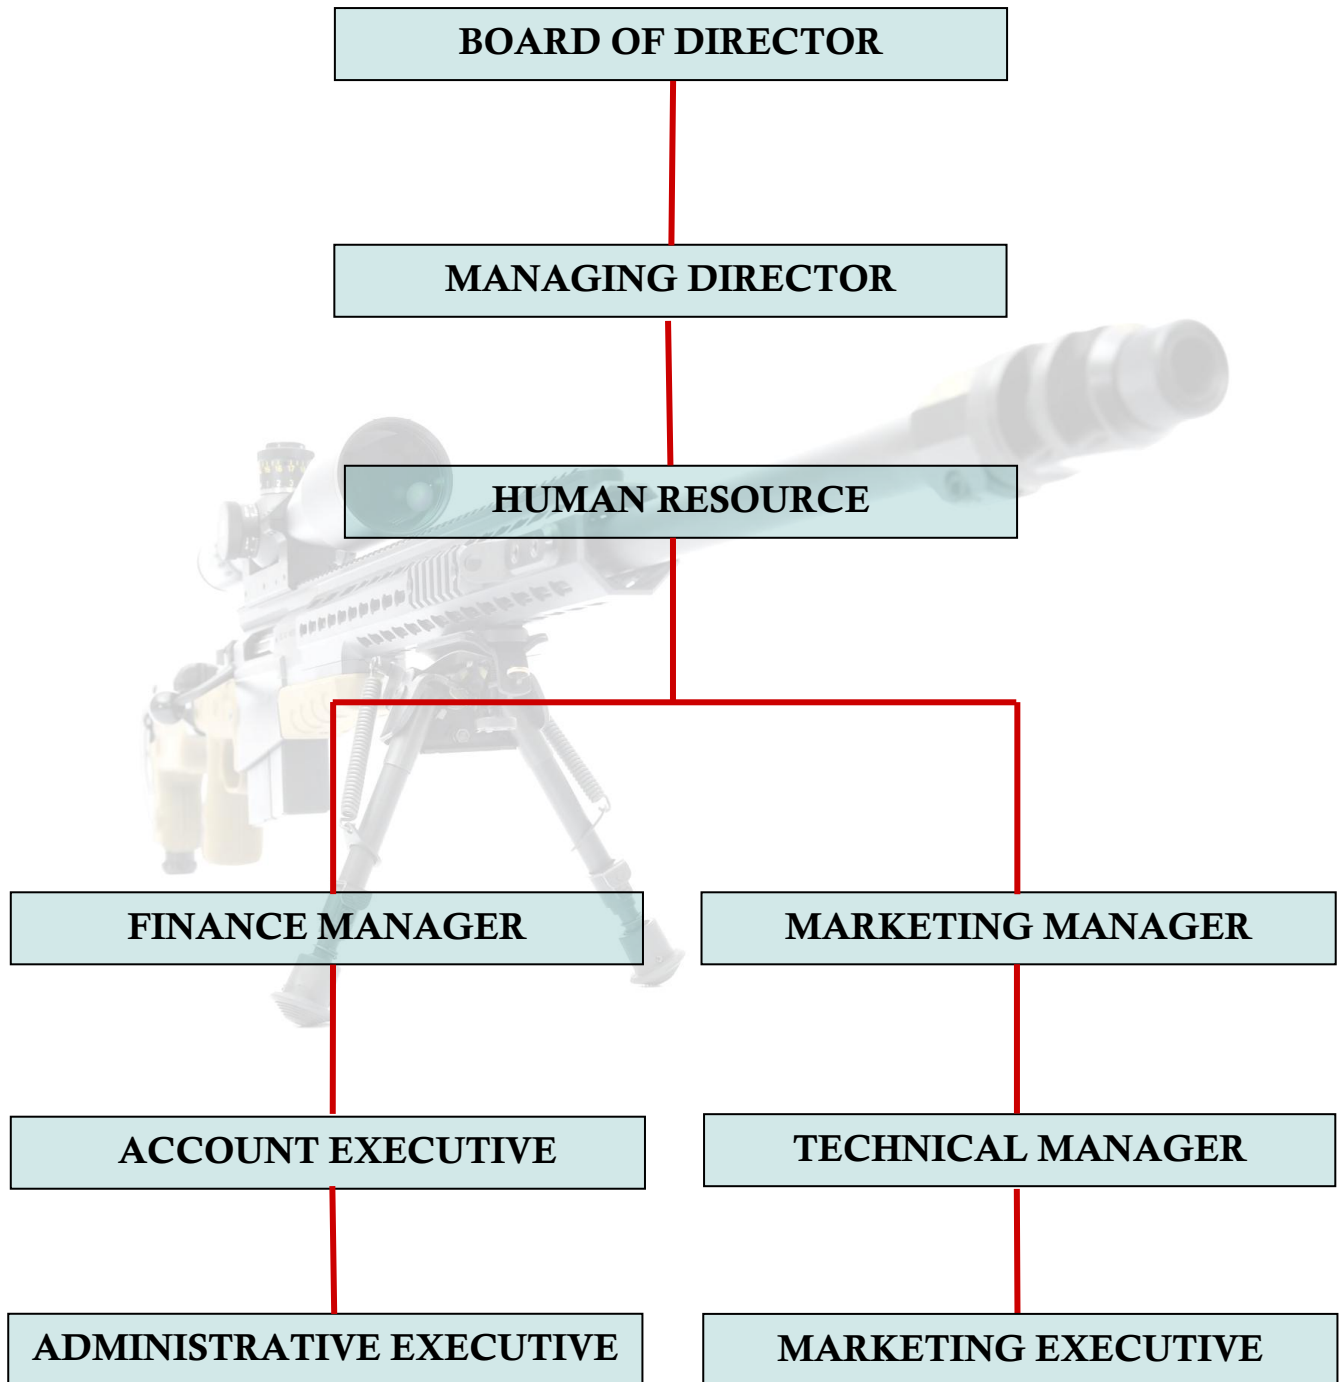

THE PEOPLE

Our team is composed of highly trained professionals with extensive experience in defense and security industry. We are committed to providing our clients with the best service, ensuring customer satisfaction through:

- ② **Professionalism and expertise in handling client needs.**
- ② **Carefully screened and selected staff based on qualifications and experiences.**
- ② **A firm commitment to offering solid know-how and efficient problem-solving.**

ORGANIZATION CHART
